

### *Who is David Brown:*

David is a spiritual healer and visionary. He's has been guided by Kryon through many levels of consciousness. The experience gained in mastering these levels of consciousness has brought him to now being able to give to the World as Kryon gave to him.

David's body now carries the information at a cellular level. David's mission is to **"Heal the World Through Powerful Communication"**.

His main desire is to share with humanity that which he has learnt through his own transformation process. David has undergone many shifts in perspective about what we are actually doing here on this planet. This information has been given to him as a gift from Kryon to share in integrity and truth. As a teacher, David has a uniqueness about him that allows one to experience without judgment.

## To Live the Impossible Dream workshop:

This workshop has evolved over many years of practicing the Kryon teachings. It is a descent to meet the wounded child and parents. The course is an inner journey with meditations channelled from Kryon. Working with the universal law of what is happening on the inside of us, and how this relates to what we create on the outside in the material world (with an explanation of how it works).

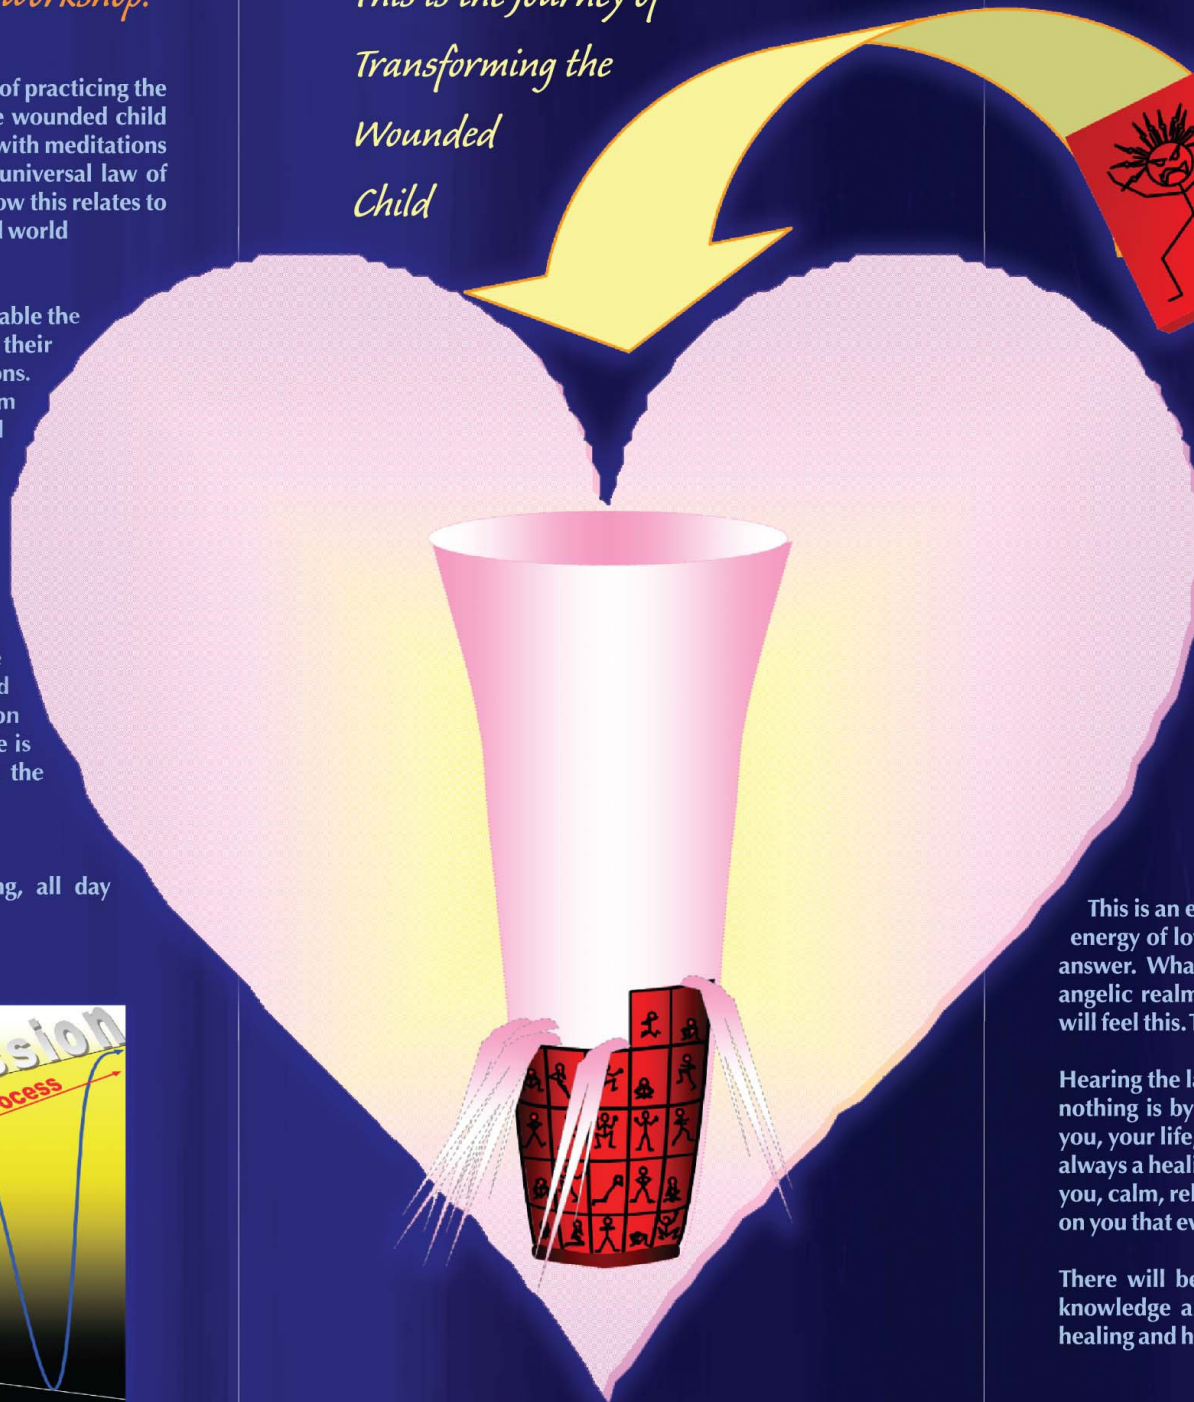

A lot of time is spent doing inner work, to enable the participant to release blockages, to shift their energy to new and more positive vibrations. Enabling them to release what holds them back and providing them with tools that will enable them to take the next step into a new level of consciousness. So that life on earth becomes much better.

Participants will also walk away with a good understanding of how they got imprinted, and why they behave the way they do. They will leave with simple techniques on how to break patterns and release emotions according to the latest Kryon information. There is logic in love and there is logic in healing. This logic is explained in the course.

Course Duration: 3 days – Friday evening, all day Saturday and Sunday

## This is the Journey of Transforming the Wounded Child

## Private Sessions:

The private sessions are based on Kryon's philosophy and works with the inner child, inner mother, and inner father. The participant is held in a very safe space and this facilitates a very gentle release of energies that do not serve them.

Kryon as channelled through David takes you deep in to a profound event in your life that causes negativity and pain. As within, so without, you heal the emotional wounds on the inside so that your external reality changes in a positive direction. Through this process you will make the inner mother, inner father, and inner child much stronger, and inherently you will feel stronger.

Duration: Approximately 1 ½ hours

## Channelling Evening:

This is an evening with Kryon in the Kryon energy, and the energy of love. Kryon will always remind us that love is the answer. Whatever the space, it will always be full of the angelic realm. Your spirit guides will be with you, and you will feel this. They will wash you with love.

Hearing the latest information coming through. Nothing but nothing is by chance, there will be information relevant to you, your life, and the new energies coming to earth. There is always a healing meditation in the channelling that will leave you, calm, relaxed, and the knowledge that spirit has worked on you that evening.

There will be a question and answer session where more knowledge and wisdom is given, with direct relevance to healing and how the Universe works.

Duration: 2 Hours
